

About HumResource

CONNECTING YOUR BUSINESS TO THE RESOURCES YOU NEED

Management theories are evolving and methods are being manipulated. Necessities required to run a business have just become facilitators and facilitators have become indispensable. The greatest role change has been in the form of Human Capital: a facilitator in the past to an imperative element in the times to come. Human Capital is the only aspect, which NOW has the power to revolutionize your success and launch growth. But there is a deficit!!!! A deficit, of not labor but skilled-labor.

We at Humresource aspire to gap up this deficit and turn it around to a surplus. Humresource is focused on providing high quality staffing and consulting solutions that are best-in-class and fit the changing needs of the industry.

Manpower outsourcing is one of our core activities. We mobilize personnel required by our clients as per their requirements in terms of numbers, location and duration. We ensure that the outsourced employees get all the benefits akin to regular employment. flexible solutions for your business needs

“We place right person
at right place on right
time.”
